Aopen Aopen/D E Aopen/D
I believe in unfading hope / in a love that's wide and long and high and deep and
Aopen Aopen/D E Aopen/D
I believe in real compassion / in a love that sees strangers as neighbours and
Aopen Aopen/D E Aopen/D
I believe in selfless mercy / in a faith that lives and speaks and makes alive and
Aopen Aopen/D E Aopen/D
I believe in love for enemies / that breaks down walls and throws off restraint

Aopen Aopen/D E
Father lead me down the road, to the fallen man
D2 A
Let me bind the wounds as mercy from your hand
D2 E
Help me see the scars, not just turn away
D A D E D
Take me down that road, the way of your grace

I believe in unfading hope / in a life that builds bridges not barriers and
I believe in real compassion / in a soul that forgives and is forgiven and
I believe in selfless mercy / in a love that gives and does not count the cost and
I believe in love for enemies / that's the love that I learned from my Saviour

A D2 E
Father lead me down the road, to the fallen man
D2 A
Let me bind the wounds as mercy from your hand
D E
Help me see the scars, not just turn away
D F#m D
Take me down that road, the way of your grace
F#m D
Your grace

F#m D
Take this day do your will
F#m D
Take these hands do your will
F#m D
Take this life do your will
