Am C F C  
You found me in my tower / Fighting all alone  
Am Em Em F  
You came to break these walls down / Pursue this heart of stone  
F Am F Am  
My sword of self-protection / Heavy in my hand  
G Am F C  
Couldn't bring me comfort / That sword was made of sand

(Chorus)

G Am F C  
No more separation, your love has captured me  
G Am F C  
Now I am a captive of the One who set me free
