Bm G D A

Bm G D A

### VERSE 1

Bm G  
This world, impressively broken  
D A  
Living by its own advice  
Bm  
Just play your cards  
G  
and you'll forget your scars  
D A  
All will come out right  
Bm G  
But the dark makes the light shine brighter  
D A  
As a voice cuts through the storm  
Bm G  
There's a Love big enough to rescue  
D A A  
It's the Love where hope is born

### CHORUS 1

It says 'Mary Magdalene I free you'  
It says 'Lazarus come out of the grave'  
And 'Jerusalem I've longed  
to gather you up'  
And 'Matthew, live a brand new way'  
It says 'Paul, I choose you despite your past'  
And 'Martha, come sit at my feet  
I have words to bring you comfort  
D A A  
It's you, it's you I seek'

### V2

This world, impressively broken  
With all its ways of escape

Taking fear and shame  
It hides them  
But they fight to show their face  
But the dark makes the light shine brighter  
As a voice cuts through the storm  
There's a Love big enough to rescue  
D A A  
It's the Love where hope is born

### CHORUS 2

It says 'Thomas touch my hands  
and touch my side'  
It says, 'Peter, put your sword away'  
And, 'Zaccheus, come down  
and take your place  
I am coming to your house today'  
Love says 'Come to me all ye burdened  
And I will give you rest'  
Love says 'Hear my voice and follow  
Take my peace for your regret'  
Love says 'Hear my voice and follow  
A A  
Take my peace and find your rest'
